

Free Dementia Educational Videos

Why Us?

- ✓ Short, practical videos and step-by-step guidance for all types and stages of dementia. Learn daily dementia care routines, communication strategies, dementia activities, and more.
- ✓ Learn from **Adria Thompson, MA**, a speech language pathologist with 10+ years working with individuals with dementia.
- ✓ Opportunities for **one-on-one consultations and instructional courses** that provide lifetime access so you can update your strategies as your individual changes.
